Password Requirements

○ At least 8 characters

○ At least one uppercase letter

○ At least one lowercase letter

From here, select which type of account you would like to set up. We offer three different varieties of accounts. One for personal users, one for business users and one specifically for funeral homes.

click here

The personal user role will automatically be selected. If you are signing up as a business, please click the business tab. Funeral home users should select Funeral Home as the business type. Other business users can select the Other option.

Registration successful

A confirmation message has been sent to your registered email address. Please follow the instructions in the email to activate your account. Once you have activated your account, you will be able to sign in.

After you have all of this information entered, click Create Account. Upon successful completion, you will see this message. From there, an email will be sent to you asking you to click a link to complete the process.

Once you complete the link, your account will be created. You can now start to create your listing.
